Richard Ebersole Killed in Action

Narberth Marine Was Home For 1942 Christmas

PFC. RICHARD A. EBERSOLE

Private First Class Richard A. Ebersole, of the Marine Corps Reserve, was reported killed in action by the Navy department last week. His parents, Mr. and Mrs. Harvey S. Ebersole, of 102 Hampden Ave., Narberth, received a telegram telling of his death on December 15.

A graduate of the Chambersburg, Pa., high school, Pfc. Ebersole, who was 21, joined the Marines in September, 1942. He was last home at Christmas time, 1942 shortly before he was sent to the Pacific. Before joining the Marines, he was employed by the Pennsylvania Railroad.

Pfc. Ebersole is survived by his parents, a brother, Nelson, 26, who is an Army Air Cadet, another brother, Frank, 16, who attends Lower Merion High School, and a sister, Barbara Ann, 4.

He was a member of the Narberth Presbyterian Church.

Get Athletic Letters At Peddie School

The following boys have been awarded an athletic letter at the Peddie School, Hightstown, N. J. It was announced this week: Lawrence C. Coe, son of Mr. and Mrs. Howard E. Coe, 262 Hathaway Lane, Wynnewood; Hugh Jeffries, son of Lieutenant and Mrs. J. H. Jeffries, Jr., 607 Braburn Lane, Narberth; Donald Bertolotto, son of Mr. and Mrs. Edwin Bertolotto, 26 Cedarbrook Rd., Ardmore; William G. Chace, Jr., son of Lieutenant and Mrs. William G. Chace, 110 Woodside Ave., Narberth; and Luther W. Smith, Jr., son of Mr. and Mrs. Luther W. Smith, 153 Vassar Rd., Bala-Cynwyd.

Report Yule Work Of Emergency Relief

The Narberth Volunteer Emergency Relief distributed 19 baskets, gave coal, correctional shoes, and electricity; 196 food items, 350 articles of clothing, and 135 toys during its Christmas activities.

A series of card parties will be given to raise additional funds, in part of the regular drive. Donations were received from the following: Narberth Junior Committee, \$25; Parent-Teachers Association, \$5; Eight Club, \$10; Women's Bible Class of the Presbyterian Church, \$10; and the Presbyterian Church, \$14. Private donations amount to \$43.

Relief Payments Drop

Direct relief payments made to residents of Montgomery County during the week ended December 31 totaled \$642.40 which was \$176.20 less than those of the comparable week of last year.

Lower Merion Five Opens Drive For Sixth Straight League Title

Lower Merion High School's state basketball champions are ready for the defense of their Suburban One League title.

This was convincingly brought home to a throng of 1,500 in Downs gym Tuesday night when the prowess of Bill Anderson slaughtered Chester, defending Section Two League champion, 48-14. It was the Maroon's fifth straight and came on the heels of a 32-27 victory over Reading on the upstate team's court a week ago Thursday.

The Maroon starts the quest of its sixth consecutive league crown against Abington on the latter's court Friday night. Little is known about the York Roaders this year except that they tuned up for this game with a 27-19 victory over Conshohocken on Tuesday.

The surprise showing of Stan Peacock, up from the Jayvees, and the improved play of Co-Captain Phil Harman marked the last two games. Peacock got into the Reading game as a substitute and proceeded to run off with scoring honors, getting four field goals and a foul loss for nine points.

Peacock's all-around play was so impressive that Coach Anderson started him against Chester and he came up with another good game, this time contributing seven points to the winning cause.

Harman's play against both teams was first class. He scored four field goals against Reading and did well on defense, also. However, it was in the latter department that he reached his season's peak of efficiency against Chester. He held Hal Denner, the Delco school's all-suburban

Penn Valley Club Will Meet Monday

Mrs. A. B. Ross, will give a talk on Bowman's Hill Wildflower Preserve, and plans to celebrate the third anniversary of Penn's Woods.

The executive board of the club met Wednesday, January 5 at the home of Mrs. Ernest Drew, Moreno Rd., Penn Valley.

Robert Timothy Died of Wounds

Narberth Man's Death Revealed by War Department

Word was released this week by the War Department that Private Robert J. Timothy, 24, died in November of wounds received in Italy on October 21.

Private Timothy, whose home was at 209 Haverford Ave., Narberth, attended the Narberth Public School and was a member of St. Margaret's Parish.

Upon receipt of word of his death by his family, a funeral mass was held at St. Margaret's for him. Private Timothy joined the Army in March, 1943, leaving the Dy-Dee Wash Company, Roxborough, where he had been employed for eight years. He held the position of foreman when he left to enter the service. After taking his basic training in Alabama, he was sent overseas in July, 1943.

The Order of the Purple Heart has been awarded to him posthumously and was received by his wife, Mrs. Loretta Timothy. He is also survived by his mother, Mrs. Mary Timothy, a daughter, Loretta, 17 months, and a brother, Corporal Joseph Timothy, who is stationed at Camp Breckentridge, Ky.

List New Course In Engineering

Evening Class at Haverford College Is Tuition-Free

A tuition-free evening course in "Elements of Engineering" sponsored by the Engineering War Training of the U. S. Office of Education will be offered to men and women high school graduates starting January 17 at Haverford College, according to an announcement by Professor L. H. Rittenhouse, director of the program.

The course will be given three nights a week from 7 to 10 P. M. for 15 weeks and will cover Engineering Mathematics and practical problems with slide rule practice. Engineering Physics and Engineering Drawing, all college grade work.

This college grade course is designed to prepare men and women for entrance into war industries as technical assistants, craftsmen, etc., and to prepare them for further technical training and advancement. To qualify, students must be high-school graduates with two years of mathematics or have had the equivalent training.

Tuition for this course is free but students will be required to purchase their own text-books. To insure admission to this class interested students should apply promptly to Professor Rittenhouse, Haverford College, Haverford. Further information may be obtained by personal interview or by telephoning Ardmore 1670.

The Colonial Playhouse will present "Three Men on a Horse" by John Cecil Holm and George Abbott on January 14 and 15, at the theatre on Ridley and Magnolia Aves., Aidan.

Narberth Girl Has Trouble With Italian Mud

It isn't only the soldiers who are slowed up by the inches-deep mire of the Italian countryside. Here's Nancy Gies, a Red Cross worker, whose home is at 122 Windsor Ave., Narberth, trying to salvage a magazine which slipped from her bundle as she made the rounds of an evacuation hospital in Italy with books, cigarettes and magazines.

KNOW YOUR STATE

(Prepared for Home Community Newspaper by the State Planning Board of the Dept. of Commerce)

PASSING OF 1943

In a State as large and important as Pennsylvania many impressive and significant events take place each year and it is interesting to review some of them at the year's end. While there probably have been other years equally important in the State's history, 1943 will long be remembered because of the critical period through which the world is passing.

The year was marked by the inauguration of a new governor, Major General Edward Martin, who succeeded Arthur H. James on January 19. The inaugural ceremonies were scheduled to take place in Harrisburg on the steps leading to the plaza in front of the main capitol building but because of inclement weather, they were moved to the Forum in the Education Building.

The 135th regular session of the General Assembly convened January 5 and adjourned May 8. It was the first time since the war of 1812 that the State's General Assembly began its regular session while the nation was at war with a foreign power. In the session of 1943, a total of 1,747 bills were introduced, 635 by the Senate and 1,112 by the House. A total of 500 bills were passed and of these, 460 were approved by the Governor.

Pennsylvania's industries kept turning out a record production of manufactured articles throughout the year. In addition to the large volume of major war supply contracts which were awarded prior to 1943, several billion dollars worth of war contracts were awarded during the year. The first nine months of the year, if the awards continue at the same rate during the last three months of the year, the total amount of these contracts assigned to Pennsylvania since June 1940 will amount to \$1,000,000,000. While Pennsylvania is proud of her contribution to the winning of the war, she is ever looking forward to the time when her great industrial might can be turned to the making of peace-time goods.

Merrick Family Hurt in Crash

Mrs. Elizabeth T. Merrick, wife of James Merrick, Ardmore, druggist, and their two daughters were injured last Tuesday night when their car collided with a trailer-truck at Church Rd. and Lancaster Ave., Ardmore. After the collision, Merrick car veered into a telephone pole, snapping it off.

In the accident, Anne Merrick, 17, had three front teeth knocked out, and her sister, Janet, 11, received a black eye. Their mother suffered cuts of the face which required 12 stitches. All were treated at Bryn Mawr Hospital and discharged.

Paul Reynolds, 21, Troy, Pa., driver of the truck, was uninjured.

Build Post-War World on Simple Terms, Urges McConnell in Campaign Opener

Lower Merion's Candidate for Congress Speaks at Upper Montgomery County Rallies; Party Chairman Asks For Substantial Majorities on January 18

Carrying out a pledge made to members of the Montgomery County Republican Committee at the time of his nomination as the Republican candidate for Congress, Samuel K. McConnell, Jr., of Lower Merion, is visiting various sections of the County in an intensive campaign.

McConnell, together with Harold C. Pike, Cheltenham, Republican candidate for the General Assembly from the Third Legislative District, and other Party leaders visited Pottstown as the guests of the Pottstown Republican Club on December 28.

Speaking at the Moose Hall before a large group of Republicans, the Congressional candidate indicated his realization of the great responsibility facing him and briefly outlined his views on post war problems.

Simplicity and reverence were cited by McConnell as two of the fundamental needs of our time. "Simplification is badly needed in government, which, like other things has become too complex. We must build the post-war on simple terms," he declared.

Lloyd H. Wood, chairman of the County Republican Committee, who introduced both McConnell and Pike, predicted that "McConnell will become one of the best Congressmen from any Congressional district of Pennsylvania."

Others introduced were County Commissioners Fred C. Peters and Foster C. Hillegass, Mrs. Mary H. Beier, vice chairman of the County Republican Committee, who in a brief talk addressed to the women praised the candidates; Recorder of Deeds John E. Marshall and Howard P. Boorse, a Third District Representative in the General Assembly.

Similar meetings, arranged by the County Republican Committee, were held this week in other sections of the County. The schedule: Monday, Curtis Arboretum, Cheltenham; Tuesday, White-marsh Republican Club, Flourtown; Wednesday, East Greenville, Fire Hall; Thursday, Norristown, American Legion Hall.

Three additional meetings have been scheduled for next week as follows: Tuesday, January 11, Lower Merion Township Building, Ardmore; Wednesday, January 12, Plymouth Republican Club, Township Building, Germantown Pike; Thursday, January 13, Willow Grove, Memorial Hall; Monday, January 17, LaMott, Community Hall (9 P. M.).

List Dr. Dewees As PTA Speaker

Junior High Students' Physical Problems To Be Topic

Dr. Ernest J. Dewees, president of the Board of Health of Haverford Township, and medical director of the Provident Mutual Life Insurance Company of Philadelphia, will address the Parent Teachers Association of Haverford Township Junior High School on Tuesday evening, January 11.

Dr. Dewees will discuss the physical problems of the adolescent. His address will be the second in a series of four treating the educational, physical, moral and social problems of the student of junior high school age.

The initial address was made by R. B. Abney, superintendent of Haverford Township Schools and the final two are scheduled for association meetings March 14 and May 9.

The PTA of Haverford Township Junior High was organized this Fall and now has a roster of more than 400 families. A special membership drive is expected to increase this number within the next few weeks.

Newly Elected County Officials Are Inducted; Chairmanships Switched by Peters and Hillegass

Dividing work and honors the Montgomery County commissioners switched chairmanships at their reorganization meeting Monday and Foster C. Hillegass, Pennsburg, was elected president of the board and Fred C. Peters, Ardmore, chairman of the Institution District.

The switch came as evidence of the close working agreement that has dominated the public lives of the two men since they have held office.

The reorganization meeting of the Montgomery County commissioners followed the morning ceremonies at which the oath of office was administered by Judge Harold G. Knight to the new county officials whose terms are beginning this year.

Among these was another Lower Merion man, Dr. Frank P. K. Barker, Gladwyne, who was sworn in as controller.

The new officials are Mrs. Mary H. Beier, registrar of wills; Edwin Wintner, treasurer; Samuel M. Glass, sheriff; and Louis V. Dorp, clerk of courts.

Re-elected officials are Peters, Hillegass, Judge William F. Dannehower, Raymond K. Mensch, as county commissioner, Dr. Barker, District Attorney Frederick B. Smilie, Recorder of Deeds John E.

Marshall, and Coroner W. J. Rushong. The new officials took their oath of office in a flower-decked court room. About 250 persons were present.

State commissioners and certificates of election were presented by Abram D. Hallman, deputy prothonotary.

After the inductions office announcements revealed some shuffling-up, especially in the offices formerly held by John Hoffman, registrar of wills, and R. Ronald Dettre, sheriff. Hoffman and Dettre, both Norristown men, have been on the other side of the political fence of the present Republican Organization. Hoffman was at one time chairman of the County Committee.

Letters of dismissal were handed to seven employees by the new registrar of wills, Mr. Beier.

One to be dismissed was Frank Underkofler, Norristown, birth record clerk, who has been a Court House fixture for many years.

Dismissals in Sheriff Glass' office included Deputy Sheriff J. Norman Grubb, who has held office for 1 years under five sheriffs.

Two dismissals were handed out by Recorder of Deeds Marshall. "There were no county employees from Lower Merion among the dismissals."

The only change of a Lower Merion resident was the transfer of Mrs. Margaret Conover from the Institution District office to the register of wills office.

FBI Speaker At Gladwyne Book Club

At its first meeting in 1944, on January 11, the Gladwyne Book Club will have as its speaker Howard Beasey, of the F. B. I. Mr. Beasey, who has recently come to the Philadelphia office of the Bureau from Washington, will speak on Espionage. The Club is making this an open meeting, and will welcome anyone interested. The attendance will be limited to adults only.

The Book Club meets on the second Tuesday of each month in the Community House.

Harral Named to Head 4th War Loan

Drive to Stress Individual Solicitation, Says L. M. Man

Henry D. Harral of Ardmore has been named Montgomery County chairman for the Fourth War Loan Drive, starting on January 18.

It was also announced that James A. Lynd, Merion attorney and a sector ward in the Township, has been named chairman of the Fourth War Loan for Lower Merion and Narberth.

Lynd, who lives at 733 Beacom Lane, Merion, was in charge of the Merion district during the Third War Loan campaign.

Announcement of Mr. Harral's appointment was made today by Rodney K. Merrick, chairman of the War Finance Committee, who will serve as a drive vice chairman in charge of Industrial Payroll.

Mr. Harral will take the place of T. Allen Glenn, Jr., chairman of the Third War Loan Drive, who had planned to continue in that capacity, but who has been forced to decline due to physical condition which will not permit his participation in the coming campaign.

Mr. Harral was co-chairman of the Lower Merion Township effort during the Third War Loan and because of the splendid organization there, that area topped all Montgomery County areas. He is a planning engineer in Lower Merion Township, chief air raid warden, and is zoning consultant at the Institute of State and Local Government at the University of Pennsylvania. He is a graduate of Penn State, class of 1924.

In accepting the responsibility, Harral said that every effort will be made to organize well for the Fourth War Loan, although he realizes that not much time remains. He plans to stress individual solicitation.

"There is no substitute for a house-to-house campaign," Mr. Harral said. "We have learned that 59 out of every 100 persons who were personally solicited brought extra war bonds. Only 17 out of every 100 persons not solicited bought bonds."

Mr. Harral is lining up a group of vice chairmen who will be responsible for key efforts. These include: J. Warren Ziegler, Norristown, banking and investment; Robert R. Titus, Villanova, management; Elmo Underkoffler, Gilbertville, agriculture; Mrs. Walter J. Levering, Rydal, Women's Activities; and Wilmer D. Cressman, Jr., Norristown, publicity.

Township Had 3453 Contagious Diseases Cases in 1943

At the close of 1943, Lower Merion Township had a total of 3,453 cases of contagious diseases since the first of the year according to the annual report of the Health Officer, Robert J. Thomas.

Measles and German measles led the list of cases with 1,701 measles and 1,016 German measles. Chickenpox accounted for 288 cases and mumps for 237. There were 127 cases of whooping cough, 40 of scarlet fever, 22 of pneumonia, 14 of tuberculosis, six of meningitis and one each of typhoid and para-typhoid fever.

Lectures on Russia

William Henry Chamberlin, for 12 years foreign correspondent in Moscow, and author of "The Russian Enigma—An Interpretation" will give a series of eleven lectures at Haverford College. The lectures, held Tuesdays at 8 P. M. in Roberts Hall, started January 9. The next lecture on January 11 will be entitled "Land and People."

Over 90 Scouters from the Main Line District are planning to attend the annual meeting of the Valley Forge Council, Boy Scouts of America, to be held January 8 at the Bellevue-Stratford Hotel, Philadelphia.

They will see movies of Scoutcraft activities, attend group discussion sessions on cubbing, scouting and senior scouting and will participate in the annual business meeting. They will conclude their activities with a dinner.

Principal speaker will be Captain Arnold C. Marts, chief of the Coast Guard Temporary Reserves. Captain Marts is president of Bucknell University. He is the former executive director of the Pennsylvania Council of Defense.

The Valley Forge Council includes 10 districts, in Montgomery and Delaware Counties.

After the inductions office announcements revealed some shuffling-up, especially in the offices formerly held by John Hoffman, registrar of wills, and R. Ronald Dettre, sheriff. Hoffman and Dettre, both Norristown men, have been on the other side of the political fence of the present Republican Organization. Hoffman was at one time chairman of the County Committee.

Autocar Co. Gave \$67,385 to Drive 61% Of Employees Contributed to United War Chest

Total Autocar contributions to the United War Chest drive which has just ended amounted to \$67,385.68, compared with \$27,635.75 last year. The Autocar Company itself contributed \$50,000.00 this year compared with \$25,000.00 last year, and Autocar employees contributed in the form of both cash and pledges \$17,385.68 this year compared with \$2,635.75 last year. The following is a detailed analysis of the Autocar employee contributions this year:

Total Subscriptions
And Cash \$17,385.68
Total Number of Contributors 1963
Average per Contributor \$8.86
Total No. of Employees 3200
Average Contribution \$2.63
Who Contributed 61%
Percentage of Employees per Employee \$5.43

It will be seen from the above tabulation that the Autocar employees increased their contributions by nearly 600%. That result was obtained by creating inside the Autocar organization an effective group of solicitors so that everyone was contacted. In forming that organization, the Autocar Local Union 131, UAW-CIO was of great assistance. The Union Stewards canvassed the entire factory organization and followed up every person, even including those who were temporarily absent because of the flu epidemic.

The co-chairmen of the Autocar War Chest organization were Robert P. Wood, the advertising manager, and David P. Mawhinney, President of Local 131, assisted by Thomas Delaney, who directed the work of the Union Stewards, and George Leach, who similarly contacted the other group captains.

Drive to Conserve Vital Resources

Merritt H. Taylor Is General Chairman Of Campaign

Haverford and Lower Merion Townships and Narberth Borough are sponsoring along with their neighboring communities of Lansdowne, Yeadon, Springfield and Radnor a campaign to save coal, oil, gas, electricity, transportation, water and communications.

Each community of 10,000 population or more in the Nation has been called upon by the War Production Board and by the Governors of the States to organize a fight to save unnecessary use of the above critical and essential resources of the country as a public contribution towards winning the war.

Since all the Communities West of the City of Philadelphia proper are served by virtually the same utility, transportation and fuel industries, the Board of Commissioners and Borough Councils of practically all this section of Delaware and Montgomery Counties have decided that in union there is strength and, instead of each forming a separate committee and making an individual effort, have formed one comprehensive plan for all the Municipalities listed.

The general chairman in charge of the entire campaign, and named by the various local boards of commissioners and Borough Councils, is Merritt H. Taylor, president of the Red Arrow Lines and long prominent in transportation and civic affairs.

Mr. Taylor has appointed, also with civic official approval, the following as sub-chairman each of whom are forming their own sub-committees: W. E. L. Irwin for Utilities, Landron Cook for Fuel, E. J. Powell for the Automotive Dealers, Mottie Buten for Merchants, Robert P. Page, Jr., for Industry, and Charles M. Dill for Municipal contacts.

At Fair Leffton of Philadelphia, who is Publicity Chairman for a similar group, formed in the City of Philadelphia, by Mayor Samuel, has kindly agreed to also act in this capacity for the suburban group thus living in advertising, publicity and radio presentation with the city effort along the same line.

Secretary of the Committee is Harry Fritschman, Secretary of Haverford Township.

The Municipal Contact Committee of which Charles M. Dill from Haverford Township is Chairman, consists of the following: Township any 9. The Golden Text is: "The bread of God is he which cometh down from Heaven, and giveth life unto the world." (John 6:33).

Lesson Sermon

"The Lesson-Sermon in all Churches of Christ is Sunday, on January 9. The Golden Text is: "The bread of God is he which cometh down from Heaven, and giveth life unto the world." (John 6:33).

Daughter of Late Congressman to Be First Woman to Hold Asst. D. A. Office

Miss Mabel B. Ditter, Ambler, daughter of the late Congressman J. William Ditter, will be the first woman to hold the office of assistant district attorney in Montgomery County.

The appointment of Miss Ditter, who in studying law, followed the footsteps of her father, as sixth assistant district attorney, was announced by District Attorney Frederick B. Smilie an hour after he had been inducted into office for a four-year term.

In his announcement of her appointment, Mr. Smilie explained that Miss Ditter will work with President Judge Harold G. Knight in juvenile Court affairs and added that a new plan has been worked out whereby a new method of dealing with juvenile delinquents
